Shearing Injuries Record

Note: It is a requirement of the RWS that if a sheep is injured during shearing, the shearer must stop work immediately to allow for appropriate treatment .

Refer to the Shearing Code of Practice

| Date | Mob description | Injury | Treatment | Shearer |
|------|-----------------|--------|-----------|---------|
| | | | | |
| | | | | |
| | | | | |
| | | | | |
| | | | | |
| | | | | |
| | | | | |
| | | | | |
| | | | | |
| | | | | |
| | | | | |
| | | | | |
| | | | | |
